Will all of my ticket(s) be available in the app or Digital Wallet?

As of the 2025/26 season, if you have selected "Mobile App" or "Mobile Tickets" as your delivery method, your tickets will be available in the My TSO app and Digital Wallet for TSO concerts at Roy Thomson Hall and George Weston Recital Hall. To update your delivery method, please contact Patron Services by calling 416.598.3375, Monday to Friday, 10:00AM to 5:00PM.

Once I access my mobile tickets, can I print them?

No, to deter fraudulent ticket sales, the TSO uses a refreshing QR code which frequently changes. Printouts of digital tickets, screenshots, or tickets without a QR code will not be accepted.

Why are QR codes only available starting 3 hours before the concert?

Our refreshing QR code appears three (3) hours before concert time to deter fraudulent ticket sales.

What if I forget my phone at home, or my battery dies, and I can't access my tickets?

We are here for you. Please visit the box office with your photo ID starting 2 hours before the concert; the staff will be happy to assist you.
